

LEE'S SUMMIT
CHAMBER

PARTNERSHIP GUIDE 2026

ADVOCATE. EMPOWER. AMPLIFY.

MAKE THE MOST OF YOUR MEMBERSHIP.

As you plan for the upcoming year, consider the opportunities the Lee's Summit Chamber provides in promoting your business. Members receive the exclusive opportunity to be a part of the partnership program, in addition to your membership investment.

Chamber partnerships are a unique marketing tool reaching both Chamber member businesses, as well as the local community. Your business automatically gains the publicity and brand recognition you need, in a positive and receptive environment in front of a number of business and community leaders year round.

The Chamber offers a variety of partnerships, allowing you to combine all or some of our events into one package. We have created a menu from which you can customize your partnership. If you are already planning to participate in some of our events, a partnership package can save you money – and gives you great year-round exposure in our weekly e-blasts, Chamber Link newsletter, Chamber publications, signage and more.

Take a look at the next page and consider the opportunities, then select the package that best fits your business. The deadline to sign up for a 2026 Partnership Package is **Friday, Dec. 12, 2025**. You're welcome to pay in 2026, or may request to be invoiced after the first of the year, depending on your preference. If you have any questions, please call or email me at your convenience at 816.524.2424 or mbaird@lschamber.com.

If you would prefer to sponsor individual events, we will be providing a list of those options in the near future so that you can budget accordingly. These options range from small to large event sponsorships. Monthly event sponsorships are sold on a first-come, first-served basis so if you are interested, we would encourage you to act quickly! Call the Chamber office to reserve your spot.

Yours Truly,

Matt Baird | President
Lee's Summit Chamber
